our program cycle

classroom/school bees

September-January

- Millions of students participate in classroom, grade and school spelling bees each year.
- Schools enroll with the Bee to receive study lists, competition materials and other educational resources.
- Regional Partners communicate with schools about how school champions can advance to the regional spelling bee.

regional bee

February-March

As the Bee-sanctioned Regional Partner, you have the opportunity to:

- Customize your regional spelling bee program structure to fit your community
- Communicate with educators and parents about your program
- Plan a regional spelling bee event with officials, volunteers and prize sponsors from your community
- Advance more than one Champion to the national finals

national finals

week of Memorial Day

- Regional Champions travel to National Harbor, Maryland, to compete in the national finals.
- Regional Partners are welcome to attend the Bee Week experience, which includes the competition and unique programming and activities for spellers.
- Hundreds of students represent their communities in the nationally televised broadcast, and your organization's name appears prominently as your speller competes.

There are additional ways to engage with the Scripps National Spelling Bee. Contact us for more information.

investment levels

\$5,500 for 1 speller
\$3,500 for each additional speller
